EXTRACTS FROM THE CONSTITUTION

6. ORDINARY MEMBERSHIP

Candidates for transfer or admission to the class of Ordinary Membership shall satisfy the following conditions:

- (a) They shall be sponsored by two Ordinary Members of the Association and shall be admitted at the discretion of the Council.
 - (b) They shall be responsible for managing the total metallurgical operation of a working mine or equivalent situated in Southern Africa. Where, on account of size or complexity of the operation, there are subordinate managers who have a person or persons who qualify for admission as Associate Members reporting to them, such subordinate managers shall qualify for Ordinary Membership.
 - (c) In addition, candidates shall, if so required, satisfy the Council that their position carries a degree of authority and responsibility sufficient to warrant their admission to this class of membership.
 - (d) A candidate who, by virtue of his senior position within the head office staff of a mining metallurgical company and who has had previous experience managing a metallurgical operation, but is not involved in active metallurgical management of a mine, may be admitted to Ordinary Membership at the discretion of Council.
7. The annual subscription of Ordinary Members shall be decided by the Council each year.

ASSOCIATE MEMBERSHIP

9. Candidates for transfer from Affiliate, or admission to Associate Membership shall be sponsored by two Ordinary Members of the Association and shall be admitted at the discretion of the Council.
10. In order to be eligible for Associate Membership candidates must be responsible or previously have been responsible for the management of metallurgical processing plant or the equivalent. In addition, candidates shall, if so required, satisfy the Council that their position carries a degree of authority and responsibility sufficient to warrant their admission to this class of membership.
11. The annual subscription of Associate Members shall be decided by the Council each year.

AFFILIATE MEMBERSHIP

14. Candidates for admission to Affiliate Membership shall be graduates or diplomats in metallurgy or any other relevant discipline approved by the Council and shall be employed in metallurgy. Suitable candidates without a tertiary qualification but who are deemed competent by means of other qualification and experience shall be admitted to Affiliate membership at the discretion of Council.
15. Candidates for election shall be sponsored by one Ordinary Member of the Association and shall be admitted at the discretion of the Council.
16. The annual subscription of Affiliate Members shall be decided by the Council each year.

STUDENT MEMBERSHIP

19. Candidates for Student Membership shall be students at acknowledged educational institutions, registered to study for a recognised degree or diploma in metallurgy or any other relevant discipline approved by the Council, and shall be sponsored by an Ordinary Member of the Association.
20. The Annual subscription of student members shall be decided by the Council each year.

RETIRED MEMBERSHIP

23. Any member who has ceased to participate in active metallurgical management, as a consequence of having taken retirement, may apply to be admitted as a Retired member of the Association.

Retired members shall be entitled to take part in all activities of the Association but shall not have the right of voting.

The annual subscription of retired members shall be decided by the Council each year.
